

MDHEWD Statistical Summary

[Home](#) » [Research & Data](#) » Statistical Summaries

The Statistical Summary of Missouri Higher Education was first published by the MDHEWD in the mid-1980s and, after going through several iterations, has remained relatively unchanged since the early-1990s. The summary contains numerous tables with aggregate data for each Missouri public and independent institution, as well as one table containing enrollment and completion data for specialized and theological institutions.

N/A indicates that data are not available. Age is collected on an option basis in even-numbered years.

NOTE: Total enrollment counts may differ from those on other tables due to the fact that a different cohort of students was counted.
